Christmas Shopping Coupons:

Many retailers use coupons during the holiday season to lure you into their stores and can really save you a lot of money; but unless you have the coupon on hand, it doesn't do you much good.

Keep your coupons in one place; paperclip them here.

Christmas Shopping Advertisements:

During the holidays, I find Christmas gift ideas in advertisements that I tear out and throw in my purse. Soon, my purse, wallet and car become a jumbled up mess. Fold and paperclip advertisements here.

Receipts and Gift Receipts:

Make returning and exchanging a gift easy. Keep receipts all in one place.
